

VENUE OF THE CONFERENCE. TRAVEL.

The conference will be held on the basis of the educational and scientific complex of the Kabardino-Balkarian State University (EUNK KBSU) in the s. Elbrus.

EUNK is located on the territory of the Elbrus National Park - the center of tourism, mountaineering and alpine skiing. The area is famous for its healing air, narzan springs, cable cars.

The weather conditions and the presence of snow on the slopes allow skiing all year round. Height above sea level 1800 m. Air

temperature in the first decade of July: 15-30 in the daytime, 8-15 ° C at night, rain is possible.

IT IS POSSIBLE TO DRIVE TO THE ELBRUS REGION YOURSELF:

- By plane to Nalchik* (112 km to the s. Elbrus);
- By plane to Min. Vody* (170 km to the s. Elbrus);
- By train to the sta. Pyatigorsk* (150 km to the s. Elbrus);
- By train to the sta. Nalchik* (112 km to the s. Elbrus);
- By train to sta. Min. Vody* (170 km to the s. Elbrus);
- By train to the sta. Prohladnaya* (142 km to the s. Elbrus)

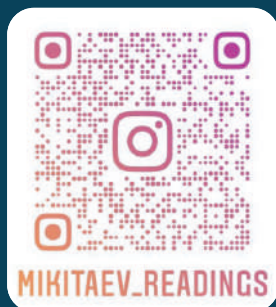

* further by road to the s. Elbrus (buses, fixed-route taxis, taxis).

On July the 5th at 14:00 a transfer will be organized from Nalchik (from the university building) to the s. Elbrus (to the EUNC building). Travel will be provided by the organizing committee.

Meeting of participants and delivery to the university will be organized at the airport, as well as at the bus and railway stations of Nalchik. Please inform the organizing committee in advance about your time of arrival and which station you will be arriving at.

CONTACTS:

- 📞 Scientific secretary of the conference
Vindizheva Amina Suadinovna
tel.: +7 (963) 168-63-38
- 📞 Head of the working group
of the organizing committee
Molokanov Georgy Olegovich

I ANNOUNCEMENT

July 5-10, 2021 / s. Elbrus, Russia

XVII

international scientific
and practical conference

DEAR COLLEAGUES!

We invite you to take part in the XVII International Scientific and Practical Conference "New Polymer Composite Materials. Mikitaevskie Readings".

CONFERENCE TOPICS

- Synthesis of new monomers;
- Synthesis and modification of polymers;
- Technological principles for the production and processing of polymers;
- Methods of research of polymers and composites based on them;
- Structure and properties of thermoplastics, elastomers and thermosets and composites based on them;
- Theoretical modeling of synthesis, structure and properties of polymers and polymer composite materials;
- Polyelectrolytes and biopolymers: synthesis and properties;
- New generation polymers and composites for additive technologies;
- Application of polymers and polymer composite materials in industrial sectors and medicine.

CONFERENCE WORKING PROCEDURE

Oral presentations and poster sessions are planned. The conferences will be presented in Russian and English. Use the PPS (Power Point Slideshow) presentation file type to showcase illustrations for your talks.

A separate special session dedicated to the 65th anniversary of the IPCP RAS is planned

The main form of the conference:

- oral reports up to 20 minutes (small groups) (15 + 5 mins);
- oral section reports up to 10 minutes (7 + 3 mins);
- poster presentations, format 800 × 1800 mm (X-banner), 1200 × 2000 mm (X-banner).

CONTROL TERMS

April 02, 2021 – End of Acceptance of Publications in the English-Language Collection (SCOPUS);

May 14, 2021 – Completion of the Reception of Russian-Language Abstracts (RSCI);

04 June 2021 – The End of Accepting Applications for Participation in the Conference;

June 08, 2021 – Distribution of the Program and Invitations;

July 05, 2021 – Arrival of the Conference Participants at the Eunk Kbsu;

06-09 July 2021 – Scientific Program.

July 11, 2020 – Departure of the Conference Participants.

As part of the conference, a competition for the best work in several nominations will be held for young scientists. The winners will receive prizes from sponsors and conference partners.

THE CULTURAL PROGRAM

For the conference participants and other visitors, it is planned to organize walking tours and excursions, ascend by cable cars to the Cheget and Elbrus mountains, visit the Baksan neutrino observatory. Every evening there will be video demonstrations and slideshows about the organizations participating in the conference and about Kabardino-Balkaria, as well as a different entertainment program.

PARTICIPATION IN THE WORK OF THE CONFERENCE

Participant's Registration Fee (paid locally):

- Non Students - **4 000 rubles.**
- Graduate Students - **2 000 rubles.**
- Students - **1 000 rubles.**

Publication fee (English-language article (SCOPUS) - **12,500 rubles.**

Cost of accommodation and three meals a day at EUNK:

- standard room - **from 1 600 rubles / day.**
- comfort room - **from 2 600 rubles / day.** (the indicated price of accommodation is being specified and may change within 5-10%)

Within walking distance there are hotels and boarding houses of different levels of comfort and prices. Travel documents can be drawn up at EUNK KBSU, s. Elbrus.

WORKS OF THE CONFERENCE

By the beginning of the conference, a Russian-language collection of abstracts will be published with the assignment of an ISBN and inclusion in the RSCI.

As a result of the conference, an English-language collection of conference proceedings will be published, as a separate issue of the journal in the publishing house

"Trans Tech Publications Ltd", indexed in SCOPUS.

To participate in the conference, publish articles and abstracts, you must fill out a participant's application form on the official website of the conference and, if necessary, attach the texts of articles and any abstracts.

REQUIREMENTS FOR REGISTRATION OF ARTICLES

Articles and abstracts drawn up with deviations from the requirements are not accepted for consideration. Text and illustrations are not subject to editing and editing and are printed in the editorial office of the authors. Formatting may be inconsistent with the authors.

The rules for preparing Russian-language abstracts and English-language articles indexed in SCOPUS are posted in the article submission section on the conference website.
